RESPECTFUL INTERACTIONS AND COLLABORATION

The South Orange County Community College District board of trustees, chancellor, presidents, administrators and managers, faculty, students, and staff, shall foster a district-wide culture of mutually respectful interactions, cooperation, and a climate of civility.

It is recognized that disagreement and informed debate may occur in an academic setting. This Policy does not seek to abridge for any purpose the freedoms of employees, students, or the public, nor support retaliatory behavior for any reason.
