STATEMENT OF INTENT, EPN AUTHORIZATION, AND APPROVAL SIGNATURES				
<p>All drivers must adhere to state law and District policy (Refer to BP-3207/AR-3207). The use of District vehicles is restricted to District sponsored activities, by District-authorized drivers. All District Drivers must have a valid driver's license on file with College FMO. In addition, students must be enrolled in the current session and volunteers must be approved by the Board of Trustees to be eligible to drive. The District may enroll drivers in the Employer Pull Notice (EPN) Program or request the driver supply a current DMV Driving Record to determine eligibility to drive District vehicles. Enrollment in the EPN Program allows the District to receive a driver record report at least once every 12 months or when any subsequent conviction, accident, driver's license suspension, revocation, or any other action is taken against an employee's driving privilege during his/her employment. Employee understands that enrollment in the EPN program is in an effort to promote driver safety, and that the employee's driver license report will be released to his/her employer to determine his/her eligibility as a licensed driver for employment. Approved drivers must review and understand District policies and guidelines related to drivers and vehicles prior to use of District vehicles and shall complete safety training.</p>
